Implementation Partner : Network for Quality Education  
Foundation ( The Education Alliance )

The Education Alliance (TEA) plays the role of lead project management partner facilitating the establishment and operations of government – partnership schools and partners with non-profit organizations to support the government school under a whole-school transformational model.

In 2018-19, TEA was involved in setting up exemplary government school SDMC Peepul School, Amar Colony through whole-school partnerships with NGO Peepul.

- Sustain the interventions initiated at the beginning of the academic year, in government schools through teacher training, resource teachers, learning aids and other educational resources
- Track and meet enrolment and attendance targets for the schools under the program
- Assess the performance of schools on growth in learning outcomes at the end of the academic year

Hughes grant utilized on operational expenses, staff salary, teaching and learning materials
